

# Corporate Engagement Policy

Kingdom Creations Enterprises is working to eradicate poverty through empowering people, ensuring healthy lifestyles. In furthering this mission, the goal of the organization is to create a community of individuals, communities, and corporations to spread synergistic messages and to raise funds to support the cause of eradicating poverty and ensuring healthy lifestyles.

We value our corporate partners and the role they play in our fight. At the same time, we recognize that transparency regarding how we engage with these partners is important to maintain the integrity of our organization and to ensure all of our constituents understand our financial and organizational stewardship. As a result, our organization has promulgated the following corporate engagement policy:

## Corporate Engagement Philosophy

Subject to limitations provided herein, Kingdom Creations Enterprises accepts funding from corporations for research, educational and community outreach programs, public policy, international programs, and general operations. We are committed to responsible engagement with corporations in keeping with our mission, and compliance with all rules and regulations to promote ethical and transparent business arrangements.

## Selection of Corporate Partners

Corporate relationships must have a meaningful mission-related benefit to the general public or to particular constituencies of Kingdom Creations Enterprises.

## Endorsements

Kingdom Creations Enterprises does not endorse any products, services, treatment, or any specific feature or attribute of any product/services sold by a corporate partner of the organization. Nothing in this policy, however, shall limit the ability of the organization's Advisory Board from opining on the efficacy of product/services and associated issues of corporate partner organizations.

## Written Agreements

Kingdom Creations Enterprises shall make best efforts to have a written agreement for each of its corporate engagements. Such agreement will detail the parameters of the use of the organization's name and/or logo, and will require that the corporate partners comply with all applicable laws and regulations.

## Privacy Policy

The organization shall maintain a Privacy Policy detailing the protection of its constituents' information, available to the general public on its website.

### **Conflicts of Interest and Whistleblower Policy**

The Board of Directors, Advisory Board, staff and certain volunteers and participants in our granting process are required to disclose potential conflicts of interest, including substantial ownership in corporate entities. Any potential conflicts are reviewed and addressed at least annually by the Audit Committee of the Board of Directors. In addition, the organization maintains a Whistleblower Policy, providing an anonymous mechanism for any internal and external reports of organizational irregularity.

### **Disclosure of Corporate Funding**

Kingdom Creations Enterprises discloses all corporate funding in its financial filings, which are available to the general public.
